

TCS TRAVEL AWARD WINNERS -2024

16th Annual Conference & Workshops, ACTREC, Mumbai
19th – 20th October 2024

S.No	Name of presenter	Institute	Title of Abstract
1	RESHMA MURALI	SCTIMST, Trivendrum	Evaluation of cellular wound healing using Flowcytometry
2	Sheetal Mulay	ICMR NITVAR	Consistent satisfactory performance of Cyflow users in national CD4 proficiency testing program conducted in India
3	Ms Vijayalaxmi Reddy	ICMR-National Institute of Translational Virology and AIDS Research, Pune	CD8 T cell responses against SARS-CoV-2 Spike antigen differ qualitatively from the responses against antigens from common viral infections.
4	ATHIRA K R	SCTIMST, Trivendrum	Fabrication and characterization of plasma-treated electrospun membranes for blood filtration application
5	Ms. Kritika Bakshi	University of Jammu	FAMILY-BASED STUDY TO EXAMINE THE ASSOCIATION BETWEEN GUT MICROBIOME AND TYPE 1 DIABETES MELLITUS.
6	Ms. Shini Verma	PRIMER-Chandigarh	Exploring the role of self-RNA-mediated activation of RIG-I-like receptors (RLRs) in the etiology of early-onset Type 1 Diabetes.
7	Ms Shivangi Taneja	PRIMER-Chandigarh	An approach to suppress autoimmune stem-like CD8+ T cells in Type-1 Diabetes using regulatory T cell-derived exosomes loaded with immune checkpoint ligands
8	Swati	PRIMER-Chandigarh	Assessment of SARS-CoV-2 specific immunity in ChAdOx1 nCoV-19 vaccinated subjects with type 2 diabetes
9	Shweta shrivas	THSTI NCR-Faridabad,	Antibody repertoire diversity correlates with neutralization breadth in COVID-19 convalescent individuals

S.No	Name of presenter	Institute	Title of Abstract
10	SUPRIYO MUKHERJEE	KASTURBA MEDICAL COLLEGE, MANIPAL, MANIPAL ACADEMY OF HIGHER EDUCATION	T-Cell Subset Dysregulation in Melioidosis: Comparative Analysis of Immune Responses in Patients and Healthy Controls
11	Shubham Pawar	GROW Research Lab, Narayana Netralaya Foundation- Bangalore	Eye lid cleansing using medicated lid wipes reduced ocular surface inflammatory factors in healthy volunteers.
12	Twinkle vikram singh khanak	Homi Bhabha Cancer Hospital and Research Centre-New Chandigarh	Exploring CD73 absence in B-ALL with KMT2A rearrangement: New insights into Immunophenotyping
13	PRAGYA AGRAWAL	Government Medical College and Hospital, Nagpur	Flow cytometry and Effusions in Lymphoproliferative process -Conjunction of Knowledge and Technique
14	Mohammed Bilal Ali	Dubai Health , Department of Laboratory Medicine & Pathology	The best things in life are free, so is side scatter in flow cytometry!
